Dear Mr MP

If a government could know the future, they could know the way to stay in power. It seems foreign policy is far more connected to domestic success. Your reaction to the current UN focus on the West Bank of the Jordan will have *domestic* implications.

For 120 years 5 generations of my family have seen specific prophesies fulfil in sequence. We waited for the Berlin Wall to fall and for Europe to unite. The EU will continue to surprise with its resilience and *increasing* dominance. But Britain (& Commonwealth) will be increasingly distanced from the EU. The EU will fall into Russia's orbit and blur the lines between state and religion by giving a role in its politics to the emerging alliance of the Catholic and Orthodox Church. We expected British exit from Libya and the major changes brought by the 'Arab spring', pitting a Russian-backed Iran against a British-backed Saudi Arabia.

We are expecting events which, if you are informed of in advance, may give political advantage to you. No politician can be ignorant of the global diplomatic war on Israel, as it is being fought even at local government level in Australia.

On April 20, 2011 though Marrickville Council's boycott of Israel was voted down, it was reported in the Sydney Morning Herald that the council formally "calls on Israel to end the occupation of Palestinian lands". Ms Byrne was reported in The Australian as saying, "Whatever comes out of tonight's resolution will not make this issue go away."

This was not bravado but a statement of the reality of the extent of this war, and it will not be able to be ignored by the Federal Government. Your political future will eventually be rewarded by being on the winning side as prophecy places the 'young lion' nations trading with India and Britain (including Canada) as being *politically, in practice, pro-Israel*.

There is a prophecy which describes a political resurrection of Israel in 1948, spookily as if describing images of the holocaust, "O my people, I will open your graves, and cause you to come up out of your graves, and bring you into the land of Israel." (Ezekiel 37:12). The prophecy continues,

In the latter years you [*The demagogue ruler of Russia*] will come into the land that is brought back from the sword, and is gathered out of many people, against the mountains of Israel [*West Bank, see map over page*], which have been always waste: but it is brought forth out of the nations, and they shall dwell safely all of them [*Israel in West Bank*].

Thus says the Lord GOD; It shall also come to pass, that at the same time shall things come into your mind [*the Russian demagogue*], and you shall think an evil thought: And shall say, "I will go up to the land of unwalled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars nor gates, To take a spoil, and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land. [see map]" (Ezekiel 38:8-12)

The map shows the *mountains* of Israel are what is called the 'West Bank', the 'occupied territory' the 'disputed territory' which is called by religious Jews, 'Judea and Samaria'. The prophecy says that *Jews* gathered from many nations will live there in security and peace. How did Ezekiel know there would be a wall in Israel after Israel was a nation reborn? The 'security wall' will come down

The propaganda war has begun of the war that will bring down that wall and give all the mountains to Israel.

There are terrible consequences to voting against Israel in the UN. Whereas Israel accepts Arabs as citizens, the PA will not accept Jews. A vote for a state run by the PA would be a vote to displace thousands of Jews. The Arabs called 'Palestinians' displaced (by a genocidal war Arabs began) were fewer than the Jews

displaced from Arab dominated countries last century (an estimated 856,000). There are benefits to supporting Israel. The first is there has been only good to Arabs who have lived in peace with Israel in their borders from Jewish redemption of the desolated land. They even live longer. It was reported Arab applications for Israeli citizenship have jumped 22 thousand in fear of the PA. The second is that there is a provable historically verifiable blessing to those who bless all the sons of Abraham. The third is that this particular area is the *apple of the eye of the God of Israel* and has **all the places** in its centre where the promises were given to the Fathers of Israel. There is, in addition, a warning not to touch Jerusalem.

Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah [*Judea in so-called 'Occupied Territory'*] and against Jerusalem. And in that day will I make **Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces**, though all the people of the earth be gathered together against it. (Zech. 12:2-3)

*Map shows places marked in blue as Holy to Jews, where promises of the land were given to their fathers (Abraham Isaac & Israel). Notice how these Holy Jewish places are in the **centre** of the disputed territory?*

The Jewish connection to this area has been nearly continuous for over 4,000 years. Hebron is particularly important to Jews. Ma are Jews saw themselves in exile from their homeland from 1948-67 when Jordan occupied this disputed area.

So confident are we in the outcome of events now that we are seeking to gather people to fund-raise for building a hostel in a place named Isaac's Beacons in Gush Etzion, Judea for Jewish aliyah. It will encourage the return of Jews from many nations to go to *disputed* Judea. We won't be noisy and cause political problems like the Mayor of Marrickville, as we are positive not destructive. We seek to do good rather than protest. But we are a practical opposition in the global propaganda 'war'. We are not fighting against a tide, as we work with the way God is working in the politics of the nations. God willing, before it is ended the Australian government will have helped build this Jewish hostel.

The pattern of events which were prophesied are already evident. People may be swept into power on undercurrents more visible after the events. Providence can be with you.

But what if you knew the future?

The Hebrew prophet Ezekiel said that there shall be no wall about the mountains of Israel- and the Jewish people who come from all the nations will dwell there in peace.

Yours sincerely,
